Term 3 – Monday 14th July – 19th September
Term 4 – Monday 6th Oct. - 19th December

FROM THE PRINCIPAL

Father's Day Breakfast:
It has been another busy few weeks at Oatlands Primary School. During this week we conducted our Father's Day Breakfast. The morning started with our guest speaker Simon Helmot (Coach of the Melbourne Renegades) giving us a great insight into his role with elite cricket teams around the world. Fathers then went into their child’s classrooms, followed by a bacon, egg and cheese muffin and coffee in the gym.

Grandparents Day
On Wednesday our grandparents took part in classroom activities, had a look around our school and our School Choir performed a range of songs in the Gymnasium. The amount of grandparents taking part in the day was quite amazing. Thank you to our staff for all the great work in preparing for these two days and our choir for such a great performance.

Literacy and Numeracy Week
Last week we had our football theme dress up day. Our students competed in an online Mathletics Challenge at school and home during the week (with St Kilda winning the challenge across Australia), while there was a Sizzling Starts Writing competition happening at school.

Student Learning
Over the past few weeks I have been visiting many classrooms and it has been great to see the focussed learning that is happening in classrooms. At Oatlands we are fortunate to have staff who are so dedicated to student learning.

SCHOOL LEVIES 2014
School Council has set the student levy for 2014 at $150 per student for the year. This levy will include all books and requisites, 24/7 access to Mathletics and a copy of the 2014 school magazine.

For your convenience excursions can now be paid for by BPAY.

WORKING WITH CHILDREN CHECK
All parents need a current Working With Children Check to help in the classroom and to participate on excursions. The application guide and form are NOW AVAILABLE ON LINE.

Art Room Donations
The Art Room currently needs:
Towels / Ice cream lids / Margarine lids

REPORTING VANDALISM
Members of the school community are encouraged to report suspicious activity or vandalism to the DEECD’s Emergency Management office on 9589-6266 or the Narre Warren Police on 9705-3111.

LOST PROPERTY
Lost Property is now located outside the Grade 6 classrooms AND is overflowing with clothes. Please have a look if you have lost anything. After viewing, please leave articles in a neat state – preferably with everything back in the containers with lids on. Thankyou.

Change of Clothes
Please send to school a change of clothes for your child (to be kept in their school bag). We do not have enough clothes in sick bay to keep up to the demand of changing muddy and dirty clothes!!

EMA CHEQUES
If you ticked the box to collect your EMA cheque from the office, it is now available for collection.

• I can’t catch my breath. It’s hard to breathe.
• My breathing may sound funny, it may be a bit noisy (wheezing) or it may sound like a whistle.
• Sometimes it may feel like someone is squeezing my chest really tightly.
• I may cough a lot. Sometimes more at night or after sport.
• My throat may feel itchy.

My Blue puffer. This is also called a reliever. The medicine in my reliever quickly makes it easier for me to breathe.
I use my puffer with a Spacer. It helps to get more medicine into my lungs.
Tips for staying active this winter!

Exercise Induced Asthma (EIA) is a common trigger for asthma. However, it does not need to be a barrier to Students participating in sports and physical activities.

**Here are some tips to help prevent EIA in students:**

**Before Exercise** take reliever medication 5-20 minutes before warming up.

**Warm Up** before exercise as normal.

**During Exercise** watch for asthma symptoms and administer reliever medication if they should occur. Only return to exercise if symptoms are relieved. If symptoms appear again, administer medication again, until they are relieved. It is not recommended that the Student should return to the sporting activity after a second occurrence of asthma symptoms.

**After Exercise** cool down as usual. Note that asthma symptoms can present up to a half an hour after exercise has stopped. Ensure reliever medication is still easily accessible should it be required.

**Other things to remember:**

- Ensure all students have current Asthma Action/Care Plans
- If possible make activities that are scheduled for the night indoors as the drop in air temperature makes air colder to inhale and acts as a greater trigger.
- Encourage students with asthma to participate fully!
